*Crossroads Diversified Services Expands Nationwide,  
Providing Jobs to Nearly 60 People with Disabilities in Dallas, Texas*

Sacramento, California – March 2, 2011 – Crossroads Diversified Services announces the acquisition of a \$1.7 million contract, representing the organization’s expansion of services into Texas and the employment of nearly 60 people with disabilities. Crossroads will be providing all janitorial services to four federal buildings in Dallas, totaling more than 1.3 million square feet of commercial and public space. Crossroads is providing these services in partnership with the United States General Services Administration (GSA) in a nationwide program to provide employment opportunities to people with severe disabilities.

“Finding jobs for individuals with a severe disability is not an easy task, especially in this economy when fair wage jobs are scarce, available talent is abundant, and with the negative stigma of disabilities.” Says David DeLeonardis, President & CEO of Crossroads Diversified Services. “We are proud of our partnership with the GSA which has enabled us to fulfill our corporate mission to help put people to work – whether they are individuals with disabilities or other significant barriers to employment.”

Providing work for nearly 60 people with disabilities essentially helps transition them from public benefit recipients to tax payers. Gainful employment has also proven to be key in a disabled person’s recovery and overall stability, enabling individuals the pride that comes with earning a paycheck.

About Crossroads

Crossroads Diversified Services is a nonprofit organization based in Sacramento, California which helps people with disabilities or other barriers achieve sustainable employment. This mission is accomplished through community partnerships and contracts with all levels of government and private-sector businesses. The nonprofit mission is also sustained through revenue generated by Crossroads Facility Services, a fully owned subsidiary of Crossroads, which provides commercial janitorial and landscaping services.
